AND WHEREAS the Corporation intends to commence immediately the work of construction of the above said Colony and complete and render fit for use within a period of three years from the completion of the transfer of land to the Corporation or such further total period of three years the State Government signify in writing by extending the period not exceeding one year at a time and further that the public when the Factory is completed, should be entitled to free access to the entire area thus transferred except the actual factory area and it was also agreed that the Government should execute and do all Acts and Deeds necessary and proper for vesting the said premises in the Corporation.

NOW THESE PRESENTS WITNESS AND IT IS HEREBY AGREED AND DECLARED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:-

(1) That in pursuance of the said Agreement the Government do hereby grant transfer, convey and assign unto the Corporation the surface rights over ALL THAT piece or parcel of land measuring a total of Ac.0.72 valued at Rs.1083.60 more particularly delineated in the plan hereunto annexed and described in the Schedule hereunder written with its appurtenances (hereinafter referred as the said premises) TO HOLD unto the Corporation absolutely but subject to the conditions hereinafter contained and subject to payment of rent at the rate of 1% ^{of the market value i.e. Rs.1085.00 only (Rupees Ten and base eighty five)} per annum payable on 1st April each year and the said land shall only be used by the Corporation for works and purposes set forth in the recitals hereof. The Government reserves their rights to the mineral wealth lying under the said premises.

PROVIDED THAT the rent payable by the Corporation shall be liable to be enhanced at the END OF EVERY FIFTEEN YEARS or in the general revision settlement whichever is earlier up to such limit as the said Collector may think fair and equitable in the circumstances of the case.

The rent revised in the Settlement is not subject to revision by Collector.

2. That the Corporation shall not except with the previous sanction of the State Government, use the land for any purpose other than that for which it is acquired, nor shall transfer the said land or any part thereof by sale, mortgage, gift, lease or otherwise except with the previous sanction in writing of the State Government. The works hereinbefore specified shall be commenced immediately on such transfer being completed and shall be completed and rendered fit for use within a period of three years from the completion of the said transfer or such further total period of three years as the State Government may signify in writing by extending the period not exceeding one year at a time.

3. That in the event of any area containing homestead and/or agricultural or other lands being completely encircled on all sides by the land presently transferred to the Corporation in this Deed the Corporation shall, at its own cost, provide one or more approach roads as maybe necessary for the ingress and egress of the owners of such lands to the satisfaction of the Collector. Similarly, should any public road or any tank used for drinking purposes by the public be any where acquired for the Corporation, the Corporation shall provide at its own cost of the satisfaction of the Collector and alternative road or any alternative source or sources of the adequate supply of drinking water, as the case maybe.

4. That if at any time or times any part or parts of the said land shall be necessary to be possessed by the State Government for the purpose of general administration or for purposes connected with public health, safety or necessity (of which matter the State Government shall be the sole judge). The Corporation shall on being thereunto required by the State Government transfer to the Government such part or parts of the said land as the State Government shall specify to be necessary for the purposes aforesaid free of cost, provided that if the part or parts of the said land have building or other constructions on it then compensation as may be mutually agreed upon shall be paid by the State Government.

5. That if the Corporation utilises only a portion of the land transferred in the Deed and the State Government is satisfied that the Corporation can continue to utilise the portion of the land used by it even if the untutilised part thereof is resumed, the State Government may make an order declaring the transfer of the land with respect to the untutilised portion thereof as null and void whereupon such untutilised portion shall revert to the State Government free of all encumbrances.

23.5.73

6(a) The Corporation shall have no right to transfer these lands by sale, gift, lease or otherwise except with the previous sanction of the State Government or Orissa and except for the purpose specified under rule 8 of the Land Acquisition (Companies) Rules, 1963.

(b) That if at any time the said land shall no longer be required or by actually used by the Corporation for the works and purposes set for the in the recitals hereof the Corporation shall, if desirous of selling or assigning the said land or such part of parts as aforesaid, first offer the same to the State Government free of any cost but subject to such compensation for the development of the land as may be mutually agreed upon.

(c) When such offer has been made by the Corporation the State Government may accept it in respect of such part or parts of the land so offered as it may deem fit and decline it as to the reminder.

(d) If the State Government accept any offer made under this clause the Corporation shall be entitled within six months from the date on which such acceptance is communicated to the Corporation to remove all buildings or structures on the land or part or parts thereof accepted as aforesaid by the State Government.

7. That the public shall have such right of access to and use of the land and premises of the Corporation as may be necessary for the transaction of their business with the Company.

8. That the Corporation shall employ the residents of the State of Orissa in all classes of services of the Company in preference to other subject to the suitability and shall pay and afford all reasonable facilities to such employees for their working in the Fertilizer Project in accordance with the rules and regulations of the Corporation.

9. That the Corporation shall train in such number of residents of the State of Orissa as may be deputed from time to time by the Director of Industries, Orissa. The said Director will, however, assess the number of trainees that can be deputed to Fertilizer Corporation of India for training in consultation with the Corporation.

10. In the case of breach by the Corporation of any of the terms and conditions of the agreement, the State Government may make an order declaring the transfer of the land to the Corporation as null and void whereupon the land shall revert to the State Government free of all encumbrances and the order so made shall be final conclusive and binding on the parties hereto.

11. That in the case of a breach by the Corporation of any of the terms and conditions on this agreement the State Government shall not make and order under clause 5 or clause 10 hereof unless the Corporation has been given an opportunity of being heard in the matter.

13/5/21

12. That in the event of an order under clause 10 the Corporation shall be entitled to remove within six months from the date of such order all buildings and structures erected on the said land. The lease will be valid for a period of 99 (NINETY NINE) years.

13. That if any dispute or difference arises touching or concerning the subject matter of this Agreement or any covenant or clause or thing herein contained the same shall be referred to the Chief Secretary to the Government of Orissa whose decision shall be final, conclusive and binding on the parties hereto.
